Dear Parents,

This year’s Chisholm Cross Country / Fun Run for Years 3-6 will be on Thursday 19th March. The Cross Country / Fun Run will start at around 9.00am and conclude by recess. The 8, 9 and 10 years age group children will complete a 2,000 metre track, while the 11 and 12 years age group children will complete a 3,000 metre track. It is expected that all children participate in the event and complete the course, however it is understood that some children are fitter than others and running the entire distance is reserved primarily for these children.

During the week of the Cross Country / Fun Run we are asking the children of Years 3-6 to wear their full sports uniform (spikes are not to be worn for long distance events) on Thursday. If your child’s normal Sports Day is Tuesday or Wednesday, they will be wearing their Sports uniform on Tuesday or Wednesday and Thursday. This is to ensure that all children are suitably dressed for exercising, as well as being in the correct clothing and foot wear. It is important that the children are well nourished and hydrated on the day. Please talk to your children about the importance of eating a good breakfast and drinking water on the morning prior to the carnival.

To facilitate the smooth running of the program parent assistance is required. If you are available to help, please fill in the slip below and return it c/- Mrs Baxter, by Wednesday, 11th March 2015.

We look forward to seeing you at the 2015 Primary Cross Country / Fun Run.

Yours Sincerely,

Karen Baxter
Sports Co-ordinator

Chisholm Cross Country / Fun Run Helper

I __________________________ am available to assist at the Chisholm Cross Country, Thursday 19th March.
