CHISHOLM'S GOT TALENT

10th September, 2021

Chisholm's Got Talent is back in 2021 and we are so excited to see the amazing talents that our students have at Chisholm. Due to the current situation, the showcase of our talents will be going digital.

All students who wish to participate this year are asked to submit a polished and complete 3 minute video of their performance. This video will be the only submission required, so please make sure you are happy with it before submitting.

When creating your video please be mindful that the performance is child appropriate and G rated. This includes costumes, props, song choice and lyrics, joke content and backgrounds used or seen in the video, as these will be viewed by the children. If using a phone or ipad for your recording, please make sure you film in landscape and check that all sound can be heard and understood clearly (ie music and vocals). We recommend that you view and tweak your video as many times as you feel necessary before submitting your final performance.

All video submissions are to be sent to the school's email address: chisholm@parra.catholic.edu.au and are due at the end of Week 1, Friday 8th October. When submitting your video, please label it with your child's name, grade and the type of performance (dance, song, gymnastics, jokes, instrument).

After all of the videos have been viewed, a Grand Finalè video will be created and shared with parents and carers to enjoy.

We look forward to seeing all of the wonderful performances and many talents that our community has to offer and appreciate the time, effort and assistance of our parents and carers in supporting this exciting event.

Thank you

Miss Tasha King (on behalf of the 2021 Chisholm's Got Talents Team)
