

Chisholm Catholic Primary School

COVID-19 cases in our Communities.

15 November 2021

Dear Parents and Carers

With COVID-19 continuing to be present in our local communities, I am writing to encourage you to stay updated with the latest NSW Health advice.

Several Catholic Education Diocese of Parramatta schools have recently been impacted by COVID-19 cases on-site. This includes Delany College Granville, Mother Teresa Primary Westmead, Nagle College Blacktown South, St Patrick's Primary Guildford and St Thomas Aquinas Primary Springwood.

It is likely that some of the students in schools where there has been a COVID-19 case will have connections to our school, either through family or friends. With this in mind, please monitor your children carefully and if any member of your household displays symptoms of COVID-19, please ensure they get tested immediately and self-isolate until receiving a negative test result.

You can find out more about COVID-19 symptoms and testing [here](#). Also, if someone in your household is affected, please contact the school as soon as you have been advised of this by NSW Health.

Please let the school know if there is any information that you feel we should know about your family's needs at this time. As always, we are ready to support your children in their learning and wellbeing.

Thanks again for your support during these challenging times.

Kind regards

*Michael Mifsud
Principal*
