2023 Mathematics Assessment Interviews Year 3 to Year 6

14 December 2022

Dear Parents/Carers,

Prior to your child commencing school next year, they will complete a Mathematics Assessment Interview. This assessment provides insight into your child's mathematical thinking and helps teachers identify your child's mathematical learning goals.

Your child will be required to attend a session at school on either **Friday 27 January** or **Monday 30 January**. A teacher will conduct the assessment with your child which will take approximately 45 minutes. Bookings are subject to availability as there are limited spaces for each session.

Please arrive 5 minutes before your scheduled time at the staff car park where you and your child will be met by a staff member. Your child will proceed to the learning space and you can collect your child at the end of the session from the staff car park.

Please go to the School Interviews website: [School Interviews](#) and follow the simple instructions.

BOOKINGS OPEN:- Thursday 15 December, 9.00am
