

30 November 2022

Chisholm K - 6 Fun Day

Dear Parents and Carers,

We have organised a Fun Day for our Kindergarten to Year 6 students to be held at school. The Fun Day is supported by Nepean Blue Mountains Primary Health Network (NBMPHN), as part of the NSW Government's response to the 2022 floods.

The planned activities include water slides and jumping castles and other organised fun activities. Students will participate in the activities in their grade groups, where they will have the opportunity to develop their team-building skills. Please note this is a student only event.

When: Wednesday 14 December

Clothes: Students are asked to wear a swimming costume and rash vest underneath mufti clothes. They will need to bring an extra set of dry clothes as it is a safety requirement to be dry before going on the jumping castles and obstacle course. Joggers are to be worn to and from school. Students are to bring things to wear during the day's activities. A towel, hat and sunscreen are essential
**Please ensure all items are clearly labelled with your child's name*

Lunch: A sausage sizzle lunch will be provided. Students will need to bring their own recess and water bottle. The canteen will be non operational on this day.

Please complete the Permission Note via the following link by no later than Friday 9 December 2022 [Chisholm's K-6 fun day](#)

We are looking forward to this exciting and fun filled day. Photos will be taken throughout the day and shared on social media following the event.

Thank you for your continued support.
