SEESAW - Kindergarten to Year 3

14 June 2022

Dear Parents & Carers,

Chisholm has introduced and implemented a new and exciting digital application in Kindergarten to Year 3 called *Seesaw*. *Seesaw* provides students with a dynamic tool to create, capture, share and reflect on their learning and growth with their families. *Seesaw* encourages positive, ongoing communication between school and home, and is centered on student learning.

In order for *Seesaw* to be successful at Chisholm, we require parents and carers to *download the Seesaw family App* for iOS or Android, and/or use the [web](#) to view your student's learning journal. You will receive a family invite letter with directions on how to download and sign up for your child's *Seesaw* journal at the Student Led Conferences in Term 2, Week 10 for Kindergarten, Year 1 & Year 2 and Term 3, Week 2 for Year 3.

Each student invite will have a unique QR code for parents and carers to scan. *You only have access to your own child's learning journal and all of the content is stored securely.* When you have access and your child adds new work, you will receive a notification to view your child's post.

Seesaw is a new and exciting opportunity for our students, teachers and families. Please contact your grade teachers with any questions about *Seesaw*. With your support, we can continue building our school community of lifelong learners.

Ros Earl
Assistant Principal
